

RedJet is a low-cost airline that offers affordable flights to various destinations. However, to keep the fares low, RedJet has a strict baggage policy that passengers should be aware of before booking. The baggage allowance for RedJet flights is as follows:

Each passenger can bring one carry-on bag and one personal item, such as a purse, laptop, or backpack. The carry-on bag must not exceed 55 x 40 x 20 cm and 10 kg, and the personal item must fit under the seat in front of you.

Checked baggage is not included in the ticket price and must be purchased separately. The maximum weight for checked baggage is 35 kg per bag, and the maximum dimensions are 158 cm (length + width + height). The fee for checked baggage varies depending on the destination and the time of booking.

Excess baggage fees apply for any baggage that exceeds the weight or size limits. The excess baggage fee is 25 EUR per kg for domestic flights and 20 EUR per kg for international flights. Additionally, oversized baggage fees apply for any baggage that exceeds 203 cm in total dimensions. The oversized baggage fee is 45 EUR per bag.

Passengers are advised to check the baggage policy and fees on the RedJet website before flying and to pack accordingly. RedJet reserves the right to refuse or charge extra for any baggage that does not comply with the policy.

The customer support number of RedJet is 1-800-8100.
